

## SMS Communication Disclaimer

Text messaging, also known as SMS is one of the methods that Parkside Endodontics uses to communicate with patients. Parkside Endodontics will send text messages notification for:

- Appointment Reminders.
- Post-op Care.
- Any follow-up related to services rendered by Parkside Endodontics

A mobile number is required to receive text messages.

By agreeing to receive recurring informational SMS from Parkside Endodontics, you acknowledge that standard text messaging rates from your wireless carrier may apply. Any costs related with receiving a text message are the responsibility of the patient receiving the messages.

Opt-out of the texting service using one of the following methods:

- Contact Parkside Endodontics to stop receiving text messages.
- After receiving a text message, text STOP to stop receiving text messages. You will receive a confirmation text. To undo this, text START to begin receiving text messages again.
